Offshore

About Offshore

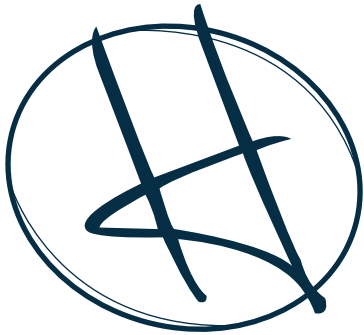

Offshore company formation is a popular choice for businesses looking to expand their operations in the global market. Setting up an offshore company in Dubai, UAE can offer numerous benefits, including tax neutrality, confidentiality, and protection of assets. At Highgate Business Management Consultants, we specialize in providing comprehensive offshore company registration services in the UAE.

Unique Features of Offshore Company Formation in Dubai

Offshore companies are legal entities that operate outside their registered jurisdiction or location of ownership. In Dubai, offshore companies can be established in RAK Offshore (officially the Ras Al Khaimah International Corporate Centre or RAK ICC), which is a Company Registry containing details of offshore companies, or overseas in jurisdictions such as the British Virgin Islands, Cayman Islands, and Mauritius.
